Hello all,

Thanks to you all for a quick response to my last query. However, to ensure that we have all of our key folks available, there is now a new date that we will be meeting with HSST staff.

Please indicate your availability to meet on December 5 at 11am, noting that EPA staff will meet at 10:30 to go up to the hill, and plan for arrival back to the agency no later than 1pm (actual briefing time is from 11-12:30). Hill staff have requested the briefing for 1.5 hours.

I am going to send an invitation to hold this time and date on your calendars, but in the meantime please advise of your availability asap so I can confirm with the hill.

Thanks!
